### BAY DRUGGIST HONORED BY STATE ASSOCIATION

The Mississippi State Pharmaceutical Association, holding its annual convention last week at the Edgewater Gulf Hotel in Biloxi, honored Rev. de Montuzin Sr. by electing him honorary president of the Association for the coming year.

S. V. Doty of Jackson, representing the nominating committee, proposed Mr. de Montuzin for the office, pointing

out that all employers will let their employees have time required to give blood.

Since the local Red Cross Chapter has been participating in the blood program several gallons of blood have been furnished local hospitals and individuals needing blood, as well as the blood that has gone to save lives of soldiers. All blood used must be replaced and it is hoped by the Red Cross workers that no one will hesitate to answer this call.

If you have blood to give and want to give it call 67 or 246.

### DON'T FORGET BLOOD BANK ON JUNE 23

Check your calendar and your social engagement list and see that June 23 is an open date for that is the day that you are asked to report at the Youth Center and give blood for the Blood Bank. It is to be expected that all employers will let their employees have time required to give blood.

There is to be a Church Fair on Coleman Ave. in Waveland Saturday and Sunday, July 5 and 6.

There will be attractions for all ages. There will be good things to eat and there will be a large crowd.

Mrs. E. C. Carnegie, who is in charge of arrangements, promises every one a real good time.

### LAKESHORE MARINE IS CASUALTY IN KOREA

The regular June Meeting of the Bay Waveland Garden Club was held last Thursday at the home of Mrs. Eugene Mogabgab. The installation of new officers was the feature of the meeting. Mrs. Erle Kirkpatrick officiated in the installation proceedings.

Officers for the coming year, 1952-53, are: Mrs. Walter Hava, President; Mrs. George Lebleitner, First Vice-President; Mrs. Dan Russell, Second Vice-President; Mrs. Ted Robin, Treasurer; Mrs. Charles R. Beyer, Recording Secretary; Mrs. Horace Thompson, Corresponding Secretary; and Mrs. Rene de Montuzin, Parliamentarian.

Dr. Walter Hava, one of our better informed gardeners' whose love and study of horticulture has enabled him to display some of the most unusual and lovely blooms at most of the recent flower shows, gave the program for the day. His lecture as always was too severe and a letter from Pfc Zingarling to this effect verify this.

He is the son of Mr. and Mrs. Horatio Zingarling of Lakeshore and is a graduate of Bay High.

### REV. SCHULTZ SUCCEEDS REV. BUKFIN OLIVER AT METHODIST CHURCH

Rev. Charles S. Schultz is to succeed Rev. Oliver as pastor of the Main street Methodist church.

It will be interesting to the Bay St. Louis people to know that Rev. C. L. Clark who served for five years as pastor of the local Methodist church here has been made first full time financial secretary and treasurer of the Mississippi Conference with headquarters in Jackson. Mr. and Mrs. Clark have a host of friends here. They will live in Jackson.

Several cases are now under investigation at the local post office. For the protection of anyone receiving a chain letter, it is suggested that same be turned over to the local postmaster.

### New Procedure in Handling Special Request Envelope Orders At Post Office

### GIVE TO THE BLOOD BANK ON JUNE 23

The public is asked, each person individually, to give a pint of blood for the Red Cross Blood Bank. Why? Because blood is so often needed that the Red Cross keeps a supply on hand, if the donors come through and donate enough.

For what is it used? First and foremost, it is used for the boys in service. Many a life has been saved by the use of blood when a wounded man was brought in from the battlefield and had bled more than his share.

The blood you donate is put in a bank, just as you put money in a bank, and when some of it is needed it is drawn out. Give your blood now, and when you or someone else needs it, the bank is there to draw from.

Will you give your pint of blood on June 23? If so, please regard this rule: "All donors must abstain from any of the following foods six hours before donating blood:

Milk, butter, eggs, ice cream, cheese, all fried or greasy foods, all alcoholic beverages.

Foods Permitted: Dry toast or bread with jelly or jam if desired; plain coffee or tea with sugar if desired (but no milk); soft drinks or water.

Donors are advised against complete fasting. UNDER NO CIRCUMSTANCES shall blood be taken from any donor during the hour following a meal. This is a period of considerable circulatory strain, hence all donors must meet the SIX HOUR DIETARY REQUIREMENT."

### A GOOD EXAMPLE

The Brothers at St. Stanislaus, in preparation for the opening of their summer camp for boys, have cleared all of the beach in front of their property of shells, broken bottles, stumps, and all other trash that may have been thrown there from time to time.

This action on the part of the Brothers is to be commended, not only because it eliminates the possibility of injury to bathers and others using this beach, but also because it presents an inviting appearance to visitors, is clean and sanitary.

Just think what a tremendous improvement this would mean if all beach property-holders followed this example and cleaned the beaches in front of their property. We feel quite sure that the city officials would furnish garbage trucks to pick up the trash and carry it away to the city dump, if it were picked up and put in piles where the trucks could reach it. Besides, it would enhance the value of the property.

Think it over, folks. With just a little effort on your part we can have the cleanest stretch of beach front to be found anywhere.
